Bureau of the Mint,

Washington, D. C., July 1, 1899

to Mr. E. Barber, Esq.,

Engraver Mint United States,
Philadelphia, Pa.

Since writing you yesterday a letter has been received from R. J. Robinson, Secretary of the Lafayette Commission, in which he requests so far as the designs for the Lafayette Dollar have been approved by the Commission, that you proceed with the work. I think it desirable let the responsibility for the design rest with the Commission.

Respectfully yours,

R. S. Brown
